

Celestial events affecting Earthly life by compounding their effects

- Sun's Magnetic Pole switch with maximum solar cycle coinciding with ...
- Total Solar eclipse of April 08, 2024 (direct impact on the USA)
- Annular solar eclipse on October 02, 2024
- Total Lunar eclipse on March 13-14, 2025 affecting Americas (impact on the USA)
- Saturn enters into Pisces evening of March 17, 2024 - significant event because it is combust and creates a five planet conjunction (Mercury and Venus Retrograde)
- Six planets in Pisces on March 28, 2025 - except Saturn all planets in Uttarābhadrā Naxatra (lunar asterism)
- Partial Solar eclipse on March 29, 2025 (impact on Eastern Canada and the USA) ...
- March 29/30, 2025 this is the very first day of the Vedic New Year – with 6 planet conjunction – Saturn remains combust until this day
- On these two days - six planets aspecting Ketu across 7th house making it a 7 planet aspect – Ketu is also aspected by Jupiter from Taurus! (signaling release from body in the near future) – Mars enter debilitation in Cancer
- Jupiter is faster moving (*aticāri*) over the next 8 years – this Jupiter aspect on Ketu signals death from war within that 8-year period
- Total Lunar eclipse on September 7/8, 2025 covering all of Asia and much more
- Partial Solar eclipse on September 21, 2025
- A total of four eclipses in 2025
- Separate from solar storms related to element plasma, all other four elements might bear calamitous impact on the life on Earth during this period from March 29, 2025 until end of 2031 with lingering tail-end of a reset by 2033 completed by Jupiter
- The 'so called' Kali-yuga ends on March 28/29, 2025 and the Dharma-yuga is established by 2033 by Jupiter assisted by Saturn
- Seven planets aspect peaking between November 15 to 20, 2030 – 5 planets in Scorpio and 2 planets in Taurus with Saturn Retrograde – this is the peak effect of *Rohini-sakata-bheda* – impact of which would have started from mid-September 2030 already
- Jupiter-Saturn mutual aspect implies final resolution to establish the changes related to the Dharma-yuga
- Five planet aspect takes place after May 15, 2031 – any war can easily roll into August 2031 – cooling down starts from September 25, 2031
- Hope from a new world only palpable from 2032
- Jupiter in Sagittarius from mid-October 2031 will bring in hope and the Dharma-yuga will be palpable before Jupiter leaves Sagittarius on October 6, 2032
